This is what I was meant to do. I think I have the kind of body, boobies and booty that have to be shared with the world. I know you want to see a tight butt get fucked, and I have one. My ass is your playground, so jump on and take it for a long ride. It's not often you can get this close to prime booty, so take a nice long look and enjoy. If you like 'em tight, then I'll lick your stick, and then fuck me when I'm done.

There's nothing better than hot sex at the office

# HUMP DAY

Amanda was an administrative assistant that had every red-blooded dude's eyes popping around the office. She seemed to take a special interest in me, for reasons I cannot explain.

One afternoon she came into my office and locked the door. I was in the middle of a phone call and didn't think much of it until Amanda's slim fingers pulled her skirt above her waist. She wasn't wearing any panties.

Her bare pussy was completely exposed. Keeping her skirt raised, Amanda spread her legs and wiped her fingers through her cunt, weakening at the knees and sighing when she pressed her clit.

Whatever words were spoken to me over the phone were now lost. My cock sprang up hard in my pants. But Amanda kept it up. Leaning against the locked door, she pumped her hand up and down into her pussy. Her middle finger fucked her channel as her hand banged against her crotch, penetrating deeply with that fucking finger.

Her moans grew raspy, louder. She dropped her skirt and pressed her free hand to her opened lips to quiet her sounds. Her other hand continued to pump beneath her skirt, raising the material up her thighs with each upward stroke. But she looked frustrated, unsatisfied. She dropped to her knees, panting.

"I need to be fucked," she pleaded, bending over onto all fours. She hoisted her skirt onto her back, the full curves of her ass and thighs beckoning for me. "I want

you to fuck me." Hanging up the phone without a goodbye, I unbuckled my pants and stepped out of them. My cock was as stiff as a soldier on duty as I took a hold of Amanda's hips and plunged into her cunt.

Her channel was drenched with arousal. Wetness seemed to steam out of her; and she was so wet and wrapped such a firm hold around my dick that I felt the semen rising through my shaft. "I'm coming," she gasped. "Pump it all the way in. All the way!"

When I thrust my hips forward she let out a shrill cry that must have carried into the outer office. Amanda's weight fell forward and I held her to keep her from falling face down on the rug. I somehow managed to keep it up without stopping the motions of my cock firing in and out of depths, until her peak had subsided.

Withdrawing my cock, I rolled Amanda onto her back and separated her legs. Slipping my hands beneath her ass, I raised her belly toward me, rubbing my cockhead back and forth against her moist folds before plunging it back inside her.

Amanda's legs wrapped around mine, holding on tightly as I rode her ass into the rug. Her fingernails scratched across my shoulders as her tongue searched for my mouth. My hands went up her shirt, not bothering to unbutton it as I pushed her bra above her breasts and fondled the fullness of her. My fingers found the erect tips of her nipples and I squeezed them gently, enough to

send waves of pleasure throughout her body.

"I want to come again," she whispered hotly. "Hold out for me." She moaned in ecstasy. With my head buried into her shoulder, my teeth pinching at her neck, I nodded.

Amanda hugged me a little tighter and tossed her head

even better was the fact that Kim wouldn't be far behind.

Kim was less direct. The following Thursday, just before quitting time, Kim came into my office and asked if I could give her a ride to work the next morning. She said her car needed repairs.

I had given her rides before since her apartment was

from side to side. My cock felt like it was about to explode, ready to fill this chick with scalding cum. Each time I came to the edge of coming, I held myself still inside Amanda, feeling the pulse in my shaft threatening to spasm cum into her womb.

She slipped her hand between our bodies, forming a V with her separated fingers and rubbing her cunt with two fingers slipping up and down on each side of my thrusting cock.

She was pushing her climax along, urging it on with her fingers. "Now," she cried. "Come inside me. Go ahead. Get off!" Her head was twisting excitedly from side to side as she pressed her eyes shut.

I heard myself groaning, pumping her full of cock, thrilling in the tight hold her pussy had on me that sent passion streaming from my loins in thick wads of cum.

Amanda's hands rubbed against my stomach, sliding between our joined midsections. She licked the rim of my ear then whispered with spent ecstasy, "Let's do this again."

It finally dawned on me. With all that had been happening around the office, I had overlooked that it was the first day of my favorite month: the month when annual raises were announced and when brownie points were accumulated to influence last-minute decisions. Amanda always came onto me around this time of year, in her casual lusting style. She was first in line, but what made it

on my way to the office, so I said, "Sure." But when I knocked on her door Friday morning, she didn't answer right away. I knocked again and heard her holler for me to hang on for a minute.

The door flew open and Kim was rushing about, wearing only a guy's long-sleeve shirt. She had a hair dryer in her hand and as she turned to run back toward the bathroom, the tail of her shirt flipped up and showed her ass. "I'm running late," she called from the hall. "Sorry."

I took a seat in the living room. From my position, I could see the bathroom mirror in which Kim's image was reflected. She pulled off her shirt and leaned forward into the sink, putting on her makeup. She was just tall enough so that her tits made it into the mirror. Her entire body was tanned in a way made only possible by sunbathing nude. And her wide areolas seemed to blend into her tan, their definition only shown by the puffy softness of her nipples.

Kim saw me watching her. She looked surprised; then she moved to close the door but stopped and smiled. We'd played this game before. But she was good at pretending.

She slid open the medicine chest, interrupting my reflection of her. But she pulled out a bottle of body oil, flipped open the top, and squirted it over her tits. When she capped the container in the medicine chest, the mirror showed me streams of oil running down her titties.

Kim eased onto the floor and pulled the door all the way open with her foot. I could see her bare legs stretching out over the tile floor and heard her hands slapping oil across her body. By the time I got out of my clothes, my mind was half spinning with anticipation.

Stepping into the bathroom, I found Kim waiting for

She grasped my cock and urged me out of her breasts, pulling me toward her mouth. "I know you like it that way." She cupped her hands side by side, making a channel that led toward her mouth, but stopped inches short.

I pulled my weight up her body and shoved my cock through her hands. Her fingers were oiled and taut, groov-

me. Her lips were pursed with a theatrical wantonness. Her hands pushed her breasts together to form an oily slip of cleavage for my cock to slide into. She said, "I decided I should treat you for giving me a ride to work. So go ahead and come. And don't worry about me. Just let yourself go. I don't need to come."

Her breasts shone in the bathroom light, drenched with slick oil. Her nipples were hard, seeming to poke through the oiled surface of her skin. "Come on," she urged. "Pump it in me. Right here," she pushed her boobs more tightly together.

I pressed my abdomen down against her stomach, feeling the slipperiness of the oil meshing over my shaft. Thrusting upwards, my cockhead slid between her tits, fired by the warmth of her body heat.

Holding my shoulders up, I was able to watch my dick going up and down between her tits. My length completely disappeared in the fullness of her cleavage, only to appear at the base of Kim's throat. She was looking too, tilting her head downward to see my cock forcing its way upwards through her tits. She smiled when it stopped within inches of her face, the tip of my shaft pulled back with tension that opened the lips at the very end of my dick and let a small bead of semen ooze out.

Kim placed one oiled hand near her throat so that now when my cock pushed through her tits, her fingers were there to caress it, rubbing in a circular motion around my cockhead.

"You want to shoot into my mouth?" Kim asked seductively. "You can let that cum flow down my throat."

ing pressure down my entire shaft. When my cock went through her grasp, it left my cockhead practically touching her opened lips. The urge to see my cum shooting into her mouth came over me. I started plunging my cock back and forth through her hands, holding nothing back, just wanting to come, wanting to see my spunk going into her mouth.

Kim's tongue licked my shaft as it appeared through her hands. She fought to hold my pushing shaft back, but each forward thrust put my cock closer and closer to her lips until finally my oily cock went into her mouth.

Her lips pursed around me, keeping the tension hot, smacking noisily each time I went into her.

I felt myself ready to come. Pulling out of her mouth, I watched my cock pump cum through Kim's hands. My thick wads of cum smeared over the side of her face. She turned her mouth, opened it, and caught my next shot on her tongue.

She kept her mouth in line with the successive bursts of cum that streamed from my cock, letting it cover her tongue and run down her throat. She swallowed, never dosing her mouth until my cock was spent. Her tongue glanced over her cum-stained lips and she smiled. With oil over most of our bodies, Kim and I got into the shower together

We finally made it to work two hours late. But I am the boss, so who cares?

During that entire time, Kim didn't make one reference to the fact that it was time for annual raises at the office. But like I mentioned, Kim is less direct than Amanda.

Anastasia

The other day I saw this hunky guy at the ball game and I made it a point to make eye contact while I cheered so he would check me out. Then I cornered him at the stadium exit and we started talking. After a few minutes he asked me out. I led him into my trap and let my body and pussy do the talking. What could be more fun?

# Marie and Sandy

Marie has a big lust for girls. She likes their softness and curves, and the taste of pussy is just to her liking. Sandy has a very high sex drive, too. Together they are sizzling. They like being together because it's so much fun hooking up. They didn't want the shoot to end because they hadn't finished giving their pussies a good licking. Just listen to the sound of their slurps.
